OUR SERVICE . YOUR EXPERIENCE

# COMPANY Profile

## WHO WE ARE

A fully fledged training provider in Malaysia, Falcon Safety Services (F2S) was established in 2022 for the purpose of enhancing safety across the energy sectors. We are committed to go beyond limits, providing you with the BEST possible learning experience approved by internationally recognised bodies such as OPITO, GWO, ECITB and CAAM. In joint efforts with MTC International, a pioneering company in safety training and services with decades of experience, coupled with a local team of industry experts, we are serious about making a difference!

## WHAT WE DO

We operate a one-stop centre which is in easy access to Kuala Lumpur City Centre-KLCC and offer a unique training environment. Our facilities include 10 classrooms, 4 training pools, fire-ground, lifeboat launching structure, helideck as well as confined space and working at height training facilities. We offer a full range of OPITO, GWO, ECITB and CAAM approved courses, and our commitment to exceptional customer service means we are always open to adding new courses based on our clients' needs. Our top priority is to provide our clients with the highest quality training in a safe and engaging environment, ensuring they have the knowledge and skills necessary to excel in the offshore sector.

## OUR TRAITS

Highly professional and yet, flexible, efficient and competitive in pricing are just some of our traits! We go the extra mile to provide an unrivalled customer service in every aspect of what we do. Our customers are who we serve, and we will ensure an unparalleled service applying the latest technology and learning methodologies. We will do our utmost to accommodate any form of request including class size, location, content, date or language. With our unwavering commitment to customer satisfaction, we go above and beyond to exceed expectations and provide an unparalleled service that sets us apart as a leading training provider in the Asia Pacific region.

## Our Vision

We aim to be the training provider of **choice in the Asia Pacific region**. To achieve this, we prioritize delivering exceptional customer experiences, maintaining high standards of quality, and consistently improving our product offerings through ongoing development.

## Our Mission

To ensure the energy sector workforce are provided with the knowledge to perform their jobs safely and equipped with the necessary skills to respond to unforeseen emergencies. Our goal is to ensure **EVERYONE GOES HOME SAFELY.**
